INSTRUCTIONS

Amended return. If this is an amended return, check “Yes”.

Mailing address change. Provide the correct address information on the front of the form and check “Yes”.

Line A: Ownership change. Check “Yes” if there has been a change in ownership of this business since the last reporting period and provide the following:

- Date the business was bought/sold or date business closed
- Name of new owner/operator

Line B: Final (last return). Check “Yes” if this business has been sold or closed since the last reporting period. A final return must be filed immediately and the tax due must be paid.

Line C: Number of taxable rental properties. Enter the number of taxable rental properties.

Line D: Number of taxable units/sites/rooms available. Enter the total number of taxable units/sites/rooms **available** for rent during this quarter.

Line D example: A lodging facility has 30 units. During the quarter, one unit was occupied by an on-site manager, three units were designated for long-term rental, and one unit was undergoing remodeling. The number of taxable units **available** this quarter is 25.

Line E: Number of taxable units/sites/rooms actually rented. Enter the total number of taxable units/sites/rooms **rented** during this quarter.

Line E example: During the quarter, 25 lodging units were available. Twenty units were rented full time. Multiply 20 x the number of nights in the quarter. **Add** to that the number of nights each of the remaining five units were **rented**. The total is your **number of taxable units actually rented**.

Line 1: Total gross receipts for lodging sales. Enter the total **gross lodging receipts** for the tax reporting quarter on line 1. “**Lodging**” is defined as hotel, motel, vacation rental homes, condominiums, and any dwelling units used for temporary, overnight human occupancy, also including sites used for parking recreational vehicles and erecting tents during periods of human occupancy. You must still file a zero return if there was no tax collected during the reporting period.

Line 2: Nontaxable lodging sales. **Note:** *If you have nontaxable lodging sales, you **must** complete lines 2a and/or 2b and/or 2c in the section provided.*

Line 2a. Long term or monthly rentals: A dwelling unit (site) that is rented, leased, or otherwise occupied by the same person for a consecutive period of 30 days or more. This requirement is satisfied even if the physical dwelling unit changes during the consecutive period if (a) **all dwelling units occupied are within the same facility;** and (b) **the person**

paying for the lodging is the same person throughout the consecutive period.

Line 2b. Federal employees on business: A federal government employee traveling on official government business.

Line 2c. Federal instrumentalities: All dwelling units during the time a federal instrumentality pays for the units. Example: The Red Cross (RC) contracts with several area motels to provide temporary emergency housing for victims of disasters. Because RC is a federal instrumentality, these units are not subject to the local lodging tax.

Line 2d. This line is for the total of lines 2a, 2b, and 2c. This is the nontaxable lodging sales.

Complete the calculations on lines 3 thru 8.

Line 8 shows the total amount of tax due. If there is a zero amount the return must still be completed and filed with us.

Print, sign, and date your return. Keep a copy of the return for your records.

Mail your return. Mail your **original** return with a check or money order to:

City of Warrenton
PO Box 250
Warrenton, OR 97146
